

WELCOME TO

esib / 2019

EUROPEAN SUMMIT OF INDUSTRIAL BIOTECHNOLOGY

GRAZ, AUSTRIA, NOVEMBER 18TH - 20TH

Timetable Day 1

18th November

HOUR	ID	SESSION	SESSION TYPE
10:15	I	The Learnings of H2020 and the Forecast to "Horizon Europe" (FP9)	<i>Special Session</i>
	II	KETBIO EU Project Partnering	<i>Special Partnering</i>
	III	Journal of Biotechnology (Elsevier) Introduction Session	<i>Special Session</i>
REGISTRATION RECEPTION & POSTER SESSION			
12:30		Welcome Address	<i>Plenary</i>
TRENDS IN SCIENCE & INDUSTRY			
13:00	01a	Trends in Biotechnology	<i>Plenary</i>
COFFEE BREAK & POSTER SESSION			
15:00	01b	Next Generation Industrial Biotechnology	<i>Plenary</i>
COFFEE BREAK & POSTER SESSION			
17:15	01c	Trends in Pharma Industry	<i>Plenary</i>
18:30	02	Podium Discussion	<i>Plenary</i>
21:00		CHILLING LIFE SCIENCE	<i>Social</i>

Timetable Day 2

19th November

HOUR	ID	SESSION	SESSION TYPE
WORKSHOP SESSION 1			
● 9:00	03	CO ₂ – the Next Generation Feedstock for Valuable Products	<i>Parallel Workshop</i>
●	04	Virtual Bioprocessing – the Future of Quality by Design	<i>Parallel Workshop</i>
●	05	Designing Cell Factories for a Circular Economy	<i>H2020 Special Workshop</i>
	06	Novel Food and Cosmetics Ingredients – What are the Quality Requirements of Tomorrow?	<i>Parallel Workshop</i>
	IV	KETBIO Workshop	<i>Special Session</i>
11:00	COFFEE BREAK		
11:15	07	Science Flash	<i>Plenary</i>
12:00	LUNCH BREAK & POSTER SESSION		
WORKSHOP SESSION 2			
● 13:30	08	Valorizing Oil and Fat Streams through Next Generation Biocatalysis	<i>Parallel Workshop</i>
●	09	Artificial Intelligence in Biotechnology – the Future of Bioprocesses	<i>Parallel Workshop</i>
	10	Converting Projects of Today into Products for the Market of Tomorrow	<i>H2020 Special Workshop</i>
●	11	Next Generation Microbials – the Potential of Microbiome Research	<i>Parallel Workshop</i>
15:30	COFFEE BREAK		
WORKSHOP SESSION 3			
● 16:00	12	Next Generation Biocatalytic Production	<i>Parallel Workshop</i>
●	V	Challenges in Design and Production of Next Generation Vaccines	<i>acib/BOKU Special Workshop</i>
	13	Next Generation Start-up Bootcamp	<i>Parallel Workshop</i>
	14	Producing Trends in Open Schooling – Interactive	World-Café
18:00	POSTER SESSION & GET-TOGETHER		
18:15	15	Science Meets Economy	<i>Matchmaking</i>
20:30	GALA DINNER		
			<i>Social</i>

Timetable Day 3

20th November

HOUR	ID	SESSION	SESSION TYPE
08:30		BIOTECH BREAKFAST & POSTER SESSION	<i>Social</i>
WORKSHOP SESSION 4			
● 10:00	16	Continuous Downstream Processing for Biomolecules of the Future	<i>Parallel Workshop</i>
●	17	Next Generation Biopolymers - the Materials of the Future?	<i>Parallel Workshop</i>
●	18	Novel Biorefinery and Biotechnology Concepts	<i>Parallel Workshop</i>
●	VI	Computer-aided Design of Cell Factories*	<i>Special Session</i>
12:00		COFFEE BREAK	
12:15	19	Science Flash	<i>Plenary</i>
13:00		LUNCH BREAK & POSTER SESSION	
14:00	20	Closing Lecture "Bridging Tomorrow"	<i>Plenary</i>
15:30		Closing Remarks	

- Focus on Bioproduction in the Sense of Bioeconomy
 - Focus on Advances in Biomanufacturing & Upcoming Biopharmaceutical
- Out of the box topics

*** Participation conditions:**
Please bring your own laptop.
